

# Red Shoes Sunday

**October 20, 2019  
4:00 PM**

You are invited to come to the **Scarborough Presbyterian Church** at 4 pm for a celebration of kindness. When you attend you are asked to wear red shoes and you are asked to bring one example of an intentional and random kindness that you preformed that week. At the celebration you will be asked to tack up a card on a display board with a description of the kindness.

Scarborough Presbyterian Church is doing this in honor of a kind and generous member who passed away 3 years ago (and had a habit of wearing red shoes). This is a community event and everyone is invited. The world needs more kindness, lets all do it together. Wear your red shoes and if any-one asks why the red shoes just tell them about **Red Shoes Sunday!**
